

Parking for Fleet Concert Orchestra concerts at Church on the Heath

Orchestra – please park in the church car park (red, above) but this is also available for the audience, or The Key car park (green, above).

Audience – park in the church car park (red, above), if there are spaces, or The Key car park (green, above). If these are full, Morrison's car park (pink, above) can be used but *the car registration should be given to the front-of-house ticket-sales desk*. We will then inform Morrisons and the car will not be charged for overstaying the 2-hour limit. This can also be done retrospectively if a charge is later attempted by Morrison's car parking company – just email: anne.smith33@btinternet.com.
